How?

ACCESSING THE COURSE

Use the device that works for you.

You can access the course from a laptop, a tablet, or even from your phone!

We know that you have busy life, and have structured the course into small lessons that you can view when you have a few free minutes on a lunch break, waiting to pick kids up from practice, or studying at home.

COURSE ACTIVITIES

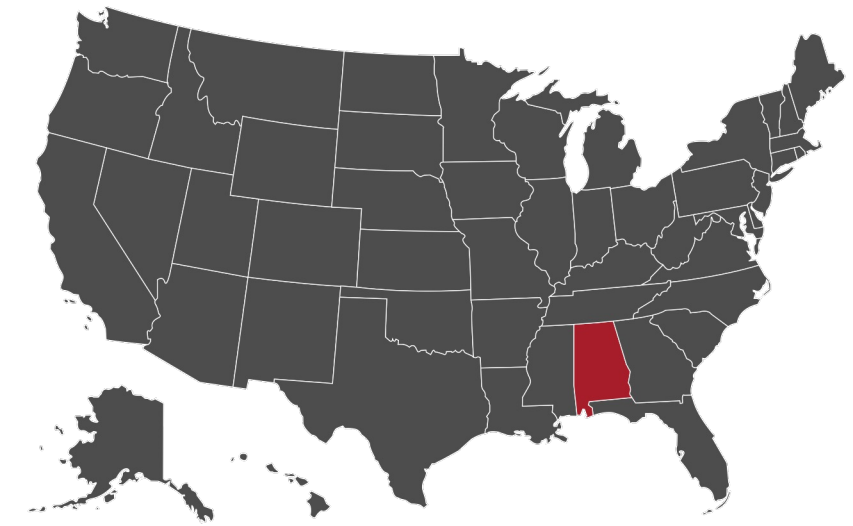

In this course, you will review and interact with the materials in four different stages: Learn, Practice, Assess, and Apply. Click each + below to read more about each stage.
